DIEÐUT is a multi-disciplinary research series, in which research findings have been published since 1974. The series publishes collections of articles and monographs in the social sciences, linguistics and law. Diedut publishes in Sámi, Norwegian, Swedish, Finnish, English and Russian languages. Diedut research series was established in order to publish research findings of the Nordic Sámi Institute (NSI). NSI was affiliated with Sámi allaskuvla in 2005. Sámi allaskuvla (Sámi University College, SA) was established in 1989. SA is an institution of high education and research. SA's purpose is to strengthen and develop the Sámi language, society and culture. Sámi dutkaninstituhtta (Sámi Research Institute) is a successor of the Nordic Sámi Institute.
